

# York & Hull District Safeguarding

## New Policies

Have you seen the new policies on the District website?

Each Church Council and Circuit Meeting reviews its Safeguarding Policies annually. These model policies on the website include issues which need to be in your local policies.

## Creating Safer Space

Module A has now gone live! In York and Hull we have trained trainers for all Circuits but three—more than 60 people in 20 Circuits. This is a magnificent response and huge thanks are due to those who have been accredited as trainers.

Are you a.....  
Superintendent  
Minister  
Deacon  
Circuit Administrator  
Children's Worker  
Choir leader or Musicians working with children  
Drama Group Leader working with children  
Church or Circuit Steward  
Property Steward  
Local Preacher or Worship Leader  
Safeguarding representative?  
Then Module A is for you. You need to participate in Module A training—basic

safeguarding awareness. All Circuits have been made aware of training events across the District. If you don't know where your nearest training is—ask your minister or safeguarding representative, or contact the District Office

WANT TO KNOW MORE???

The District safeguarding Officer is always happy to attend your Church Council or Circuit Meeting and speak about Creating safer Space or the new Vetting and Barring Scheme (VBS)
